

# Little Live Bingo!

Player 1

Player 2

## How to play:

Cut out the squares below, then place them face down on a flat surface. Take it in turns to turn over a square. If it matches a picture on your half of the playing card, circle it. Turn the card back over, then keep playing until one player has circled all of their pictures to win the game.

Ask a grown-up!

**Joke!**

What is a unicorn's favourite type of story?

**A fairy tail!**
